GREETINGS: Congratulations for the prize winning flowers you showed last summer, and my best wishes that you may receive many more prizes this season. I again offer you a wonderfully fine crop of bulbs, which I believe excel those of last year. Many letters tell me of the prize winners raised from my bulbs. I am regretful that I cannot offer wholesale prices. Health limitations have compelled me to drastically reduce my plantings. This has also necessitated a large reduction in the number of varieties which I can list. However, those which I list are the "cream" of the many hundreds which I have been growing. I fully guarantee my bulbs to be free of disease, and true to name. I will gladly make good on any that do not meet these specifications. Please remember this, satisfaction is my guarantee, and liberal count is my pleasure.

I grow 170 varieties of EXTRA CHOICE PEONIES. Among them are many new kinds, everyone winners of the blue and grand sweepstakes ribbons. Try the newer varieties and see the superb beauty and excellence over the older kinds. If interested, write for may price list.

Please read before ordering!

1. My bulbs are doubly inspected, in the field and in storage.
2. If your order is for less than \$3.00 please add 35¢ for shipping charges.
3. Bulbs are priced in three sizes, Large Medium, and Small, indicated by L, M, S.
4. What size shall I buy? One will get the largest sized spikes from the Large bulbs. Exhibitors usually plant the large size. However, Medium size will usually make magnificent spikes, often times, prize winners. Small size will usually make smaller spikes, and lovely, large bulbs for the next season.

This price schedule applies to any variety which does not have a price following the description. Following each description you will find letters in cap size indicating what sizes are available, L - large, M - medium, S - small. If you are interested in bulblets, inquire concerning what you want. They are available in some varieties, put up in packages of around 75, for 25¢ each.

L. 2-35¢, 5-70¢; M. 3-30, 5-45; S. 5-30, 10-50.

These prices are for one variety. For example, 5-70¢ means five of one variety.

CHOICE MIXTURES: L 100-\$6.00; M-100- \$4.00; 25 at 100 rate.
S - 100 - \$2.00.
